personal deliveries to workers.										
---------------------------------	--	--	--	--	--	--	--	--	--	--

6. Personal Protective Equipment (PPE) and face coverings

6.1 Face coverings

There are some circumstances when wearing a face covering may be marginally beneficial as a precautionary measure. The evidence suggests that wearing a face covering does not protect you, but it may protect others if you are infected but have not developed symptoms.						Wear face covering within 2m	NFA
